KENNEWICK FIRE DEPARTMENT

2025 Battalion Chief Promotional Exam

Position Minimum Qualifications:

- Must be a Citizen of the United States of America or a Lawful Permanent Resident.
- Must be a non-user of tobacco or tobacco products.
- Must pass comprehensive written and oral examinations and other tests prescribed by the Civil Service Commission.
- Must possess a minimum of an Associate's Degree OR two years of college OR equivalent.
- Must also have five years of service as a career Firefighter in a fire department of comparable size or greater.
- Must have two years of service at the rank of career company officer (example: Fire Captain).
- Must possess a valid National Registry or Washington State Emergency Medical Technician certificate or equivalent.
- Must possess a valid Washington State Fire Instructor Level I certificate or equivalent.
- Must obtain a valid Washington State Driver's License prior to employment.
- Must meet the Fire Officer II standards of NFPA 1021 – Standard for Fire Officer Professional Qualifications.
- Must maintain oneself in good physical conditions throughout the term of employment.

Exam Component Overview

Oral Interview (Oral Examination)

The oral interview will provide the candidate an opportunity to share their efforts to prepare themselves for the position as well as answer a series of questions from assessors. Assessors will evaluate candidates on their ability to "Lead the Way" and to exercise effective leadership, maintain discipline, train and instruct personnel, promote harmony, exercise sound judgment, and establish effective working relationships with fellow employees, other public safety officials, and the public.

Personnel Management (Written Examination)

Candidates will participate in a simulated complaint investigation where the candidate will conduct an initial investigation to determine if there is merit to the complaint. Following their investigation, candidates will prepare and submit an electronic memo with their findings and recommendation(s).

Tactical Scenario

Using simulation technology, candidates will be presented with a virtual structure fire where they will be evaluated on their management of the incident in conformance with the National Incident Management System and local guidelines, as well as candidates' command presence and decision-making ability.

Each component of the exam will require a score of 70% to pass. Failure to meet the 70% on any component of the exam, results in failure of the entire examination.
